## Rules and Info

**Entry process:** Entrants must submit payment and a design sketch by the deadline. Returning entrants should include a photo of previous entries. Notification of acceptance follows two weeks later. Receipt of application and fees do not guarantee entry. Payment is returned if entry is not accepted.

**Entrants who have won awards** in previous parades are grandfathered in automatically, but must submit application and payment by deadline.

**All Entries:** EVERY parade unit must have at least two escort monitors per 15' of entry length to assist in directing the unit through the crowd along the parade route.

### Motorized Entries:

1.) 41' Maximum overall length, including tow vehicle. No 18-wheelers. Truck size: parade officials standing on the street must be able to talk face to face with driver. (Must

nimbly negotiate a 120-degree turn amid multiple thousands of villains, vixens, vampires and spectators -- practice this first if there is ANY doubt!);

2.) 12' maximum width with NO OUTRIGGER LIGHTS OR OTHER PROTRUDING ELEMENTS that may swat parade officials or pierce the crowd;

3.) 13' maximum height from the ground (this potentially shocking factoid is governed by overhead wires and traffic lights).

**Non-motorized Entries:** Any length, but must be maneuverable -- see turn restrictions above; same height and width restrictions as above.

**Fire Extinguishers:** All units except walking groups must carry two fire extinguishers, fore and aft. Large walking groups that include a support vehicle must have extinguisher. No live fires; no refueling on the parade route. **All** vehicles, including tow vehicles and support vehicles, must be decorated.

**More:** All entries are at the discretion of Parade Coordinator. This is an entertainment parade. It's all about costumes, so, sorry, no nudity. Political satire is welcome, but No Campaigning! No advertising! No VIP cars and no promotional vans, buses or "closed box" vehicles. If you drive it on the street every day, it is not parade worthy. Sponsor banners must be modest. No advertisements, banners or promotions for direct competitors of Fantasy Fest major sponsors. All entries must comply with these rules and local and state laws.
